2026

2027

2028

+ 87 sites

+ 329 sites

Olympic sites + 13 sites =
8 M inhabitants

+ 4 M inhabitants
= 12 M inhabitants

+ 28 M inhabitants
= 40 M inhabitants

T18, France Télévisions and Novo 19 have joined the trial

❑ Engage broadcasters to accelerate 5G Broadcast adoption

- Active and structured dialogue with broadcaster groups
- Connecting broadcast and digital teams
- Facilitated entry conditions (initial free access)
- Objective: gradually onboard all channels

1. Participation agreements to date

- T18, FTV (France 2, regional France 3, franceinfo), Novo 19

2. Additional broadcasters may join the trial in coming months

3. Dedicated trial in La Réunion island, Indian Ocean

- Live broadcast of Réunion La 1ère, Antenne Réunion
- Potential Web TV broadcast of the *Diagonale des Fous* ultra-trail (Grand Raid, October 2026)
- Text alert message to the public, enriched with live video, photos and text
